The Minneapolis chapter of the

YWCA offers research-based curriculum delivered by trained professionals to equip girls to achieve academically, lead healthy and physically active lives, manage money, navigate media messages and discover an interest in science, technology, engineering and math (STEM). The contribution from PES will help the girls to connect with positive mentors after school, learn STEM skills like programming robots and practice culturally meaningful ways to eat healthy and exercise; assist families in gaining access to fitness memberships; and provide education to community members on how to facilitate impactful conversations about race and racism.

Wilderness Inquiry

Wilderness Inquiry connects with people of all ages, backgrounds and abilities through shared outdoor adventures. Based out of St. Paul since 1974, Wilderness Inquiry offers a variety of programs and multiple trips, both domestic and international. The contribution from PES will help provide outdoor education programs for youth, trip assistance for participants with differing abilities and travel scholarships to bring families to the outdoors together.

**Women's Foundation of
Minnesota**

Through annual statewide grantmaking, research and policy, the Foundation drives gender and racial equity. There is a focus on building pathways to economic security for women who experience the greatest disparities in outcomes, particularly low-income women and girls, and women and girls of color from Greater Minnesota. The contribution from PES will help contribute to their vision, a world of equal opportunity where women and girls – and all people – hold the power to create and lead safe, prosperous lives.
